SECTION 1. ADMINISTRATIVE REGULATION REVIEW PROCESS

A summary of the process for promulgating an administrative regulation is set forth in this section. Additional information for each topic is provided in the related section in this informational bulletin.

(1) Prior Hearings [KRS 13A.160]

If a statute other than KRS Chapter 13A requires that a hearing be held before an administrative regulation is filed, the administrative body shall notify the Compiler at least 45 days prior to the date of the hearing of the time, date, place, and subject of the hearing. This notice shall be published in the Administrative Register.

(2) Ordinary Administrative Regulation [Various sections of KRS Chapter 13A]

(1) If the ordinary administrative regulation is filed by noon on the 15th of the month, it shall be published in the next month's Administrative Register. If the 15th falls on a Saturday, Sunday, or holiday, the deadline shall be by noon on the preceding workday. The Administrative Register is published on the 1st day of the month.

(2) The ordinary administrative regulation shall contain information as to the date, time, and place of the scheduled public hearing and the deadline for submitting written comments during the public comment period and shall be published in the Administrative Register.

(3) Public Hearing [KRS 13A.270]

(1) A public hearing shall be scheduled for the ordinary administrative regulation.

(a) The public hearing is scheduled no sooner than the 21st day nor later than the last workday of the month in which the administrative regulation is published.

(b) The hearing shall be held if any member of the public requests the hearing at least 5 working days prior to the date of the hearing.

(c) The administrative body shall notify the Compiler, by phone and letter, if the hearing will be held or canceled.

(2) If the public hearing is canceled and no written comments are received, the administrative regulation shall be considered at the next meeting of the ARRS. A letter of cancellation is the only required filing.

(3) If the public hearing is held or written comments are received, the administrative body shall submit a letter to the Compiler stating that the public hearing will be held or that written comments were received and that an SOC shall be filed.

(4) Public Comment Period [KRS 13A.270]

(1) A public comment period shall be provided for each ordinary administrative regulation.

(2) The administrative body shall accept written comments regarding the administrative regulation for a period of thirty (30) days following publication of the administrative regulation in the Administrative Register.

(3) The administrative body shall notify the Compiler, by phone and letter, if written comments were received or were not received during the public comment period.

(4) If the public hearing is canceled and no written comments are received, the administrative regulation shall be considered at the next meeting of the ARRS. A letter of cancellation is the only required filing.

(5) If the public hearing is held or written comments are received, the administrative body shall submit a letter to the Compiler stating that the public hearing was held or that written comments were received and that an SOC shall be filed.

(5) Statement of Consideration (SOC) [KRS 13A.270, 13A.280]

(1) The administrative body shall file an SOC (which includes a summary of comments and responses) by noon on the 15th calendar day following the last date of the comment period. If the 15th falls on a Saturday, Sunday, or holiday, the deadline shall be by noon on the preceding workday.

(a) If a large number of comments were received, an administrative body may extend the deadline for filing an SOC by 30 calendar days.

(b) A request to extend the deadline for filing the SOC must be submitted by the administrative body by noon on the original deadline for filing the SOC.

(c) If the administrative body has filed a request to extend the deadline for filing the SOC, the SOC shall be filed no later than the 45th day following the last day of the comment period.

(2) If the administrative regulation is not amended as a result of comments received, only the SOC is filed.

(a) If the SOC for an administrative regulation not amended after hearing is filed at least 15 working days prior to the next meeting of the ARRS, the administrative regulation shall remain on that agenda.

(b) If the SOC is not filed at least 15 working days prior to the next meeting of the ARRS, the administrative regulation shall not remain on that agenda, but shall be deferred to the following meeting.

(3) If the administrative regulation is amended as a result of comments received, both the administrative regulation showing the amendments made and accompanied by all required attachments and the SOC shall be filed together.

(a) The SOC is attached to the back of the amended administrative regulation.

(b) If the amended administrative regulation and SOC are filed by the 15th of the month, the administrative regulation shall be published in the next Administrative Register and shall be on the next agenda of the ARRS.

(c) If the amended administrative regulation and SOC are filed after the 15th of the month, the administrative regulation will not be published in the next Administrative Register, but in the following Administrative Register. The administrative regulation will not be on the next agenda, but shall be on the following agenda.

(6) Administrative Regulation Review Subcommittee (ARRS) [KRS 13A.020, 13A.030, 13A.290, 13A.320, 13A.330, 13A.331]

(1) The ARRS shall review an administrative regulation within 45 calendar days of publication or within 60 calendar days of receipt of an SOC.

(2) The ARRS may:

(a) Review the administrative regulation as filed;

(b) Approve an amendment to an administrative regulation and review the administrative regulation as amended; or

(c) Find the administrative regulation deficient (stating that the administrative regulation does not comply with statutory requirements or legislative intent).

(3) The ARRS submits its findings in a report to the Legislative Research Commission (LRC).

(4) If an administrative regulation is found deficient, the ARRS transmits to the Governor:

(a) A copy of its finding of deficiency; and

(b) A request that the Governor determine whether the administrative regulation shall:

1. Be withdrawn;

2. Be withdrawn and amended to conform to the finding of deficiency; or

3. Become effective notwithstanding the finding of deficiency.

(7) Second Reviewing Subcommittee [KRS 13A.290, 13A.330, 13A.331]

(1) The LRC refers the administrative regulation to the appropriate legislative subcommittee for a second review.

(2) The second reviewing subcommittee has the same powers of review as the ARRS.

(3) If the second reviewing subcommittee meets to review an administrative regulation, it shall complete its review within 30 calendar days from the date the administrative regulation was referred to it.

(4) The second reviewing subcommittee submits its findings in a report to the LRC.

(8) Effective Date of Administrative Regulation [KRS 13A.330, 13A.331]

(1) If the administrative regulation is not found deficient, it becomes effective on:

(a) Adjournment of the second reviewing subcommittee's meeting, as long as that meeting is held within the 30-day deadline; or

(b) The 30th day following referral if the second reviewing subcommittee does not meet in that time period.

(2) If the administrative regulation is found deficient, it becomes effective after:

(a) The second reviewing subcommittee:

1. Considers the administrative regulation; or

2. Fails to consider the administrative regulation; and

(b) The Compiler has received the Governor's determination that the administrative regulation become effective notwithstanding the finding of deficiency.

(9) Emergency Administrative Regulation [KRS 13A.190]

(1) An emergency administrative regulation becomes effective as soon as it is received in the Compiler's office.

(2) An emergency administrative regulation shall include a "Statement of Emergency" signed by the Governor and the head of the promulgating administrative body.

(3) An emergency administrative regulation shall expire 170 calendar days following publication in the Administrative Register or when it is replaced by an ordinary administrative regulation. If the emergency administrative regulation is filed by noon on the 15th of the month, it shall be published in the next month's Administrative Register. If the 15th falls on a Saturday, Sunday, or holiday, the deadline shall be by noon on the preceding workday. The Administrative Register is published on the 1st day of the month.

(4) If an emergency administrative regulation is being replaced by an ordinary administrative regulation:

(a) The ordinary administrative regulation must be filed at the same time as the emergency administrative regulation; and

(b) A public hearing and public comment period shall not be required on the emergency administrative regulation (a public hearing will be held on the ordinary administrative regulation that is filed to replace the emergency administrative regulation).

(5) If an emergency administrative regulation is not being replaced by an ordinary:

(a) An ordinary administrative regulation is not required; and

(b) A public hearing and public comment period must be scheduled on the emergency (see information under (3) Public Hearing and (4) Public Comment Period of this section).

(6) An emergency administrative regulation shall be placed on the agenda of the ARRS for the month following publication.

SECTION 2. KENTUCKY ADMINISTRATIVE REGULATIONS SERVICE AND ADMINISTRATIVE REGISTER

(1) The Kentucky Administrative Regulations Service

The Kentucky Administrative Regulations Service consists of several softbound books containing all administrative regulations in effect as of August 15 of the year of publication. It also includes all emergency administrative regulations in effect as of July 15 of the year of publication.

The Kentucky Administrative Regulations Service is available by subscription to any member of the public. Subscription rates will depend on the number of volumes required and the cost of printing. The publication date is August 15 of each year; however, the Service is generally not mailed until the middle of September due to time involved in printing.

The last volume of each year's Service contains 3 indexes:

(1) KRS Reference. The KRS Reference index is a cross-reference of statutes to which administrative regulations relate. These statute numbers are derived from the RELATES TO paragraph of each administrative regulation published in the Service.

(2) Subject Index. The Subject Index is a general index of administrative regulations published in the Service and is mainly broken down by agency.

(3) Administrative Regulations Not Printed in Volumes. This index is a list of administrative regulations that are no longer in effect. An administrative regulation will appear in this index if it has been repealed, recodified, or has expired.

Kentucky administrative regulations shall be codified according to the following system and shall be cited by Title, Chapter, and Administrative Regulation Number, as follows:

| TITLE | CHAPTER | ADMINISTRATIVE REGULATION NUMBER |
|--|--|------------------------------------|
| 103 KAR | 25: | 131 |
| Cabinet, Department, Board, or Agency | Department, Division, or Major Function | Specific Administrative Regulation |

(2) The Administrative Register

The Administrative Register of Kentucky is the monthly supplement for the Kentucky Administrative Regulations Service. A year's subscription to the Administrative Register is available to all members of the public and includes the Administrative Registers published from July of one year through June of the next year.

Material in the Administrative Register is cited by volume number and page number. The volume number is the number of years since the Administrative Register was first published. The first Administrative Register was published in 1974. Therefore, the July 2002 through June 2003 issues of the Administrative Register constitute Volume 29. Page numbering starts with page 1 in the July issue and runs consecutively through the June issue.

Cite the volume number and page number on which an administrative regulation was published in the Administrative Register in one of the following formats:

Volume 2, Kentucky Register, page 318; or
2 Ky.R. 318

The second format of the citation is preferred.

The Administrative Register is published the first of each month and contains filings made with the Compiler by noon on the 15th of the previous month.

Each issue of the Administrative Register contains the following information:

- (1) Tentative agenda for the ARRS' next meeting;
- (2) Summary of the administrative regulation review procedure;
- (3) Emergency administrative regulations;
- (4) Amendments to administrative regulations made at legislative subcommittee meetings;
- (5) Amendments to administrative regulations made due to comments received during public hearings and during the public comment periods;
- (6) Proposed amendments to existing administrative regulations;
- (7) Proposed new administrative regulations;
- (8) Minutes of the ARRS meeting;
- (9) Action taken at legislative subcommittee meetings; and
- (10) Locator index, KRS index, and subject index. (See discussion of indexes below.)

Forms required to be filed with administrative regulations (public hearings, regulatory impact analysis, tiering statement, federal mandate, and fiscal note on local government) are published immediately following the administrative regulation.

The Administrative Register contains 3 indexes:

(1) Locator Index. The Locator Index lists all administrative regulations published in that particular year of publication of the Administrative Register. It also lists the page number on which each administrative regulation is published; the effective date of the administrative regulation; and other action — such as recodification, repeal, or withdrawal — which may affect the administrative regulation.

(2) KRS Index. The KRS Index is a cross-reference of statutes to which each administrative regulation relates. These statute numbers are derived from the RELATES TO paragraph of each administrative regulation published in the current year of the Administrative Register.

(3) General Index. The General Index is an alphabetical index of administrative regulations published in the current year of the Administrative Register and is mainly broken down by agency.

(3) Correction of Errors in Administrative Register

KRS 13A.050(2)(c) provides that within 5 workdays of the publication of an administrative regulation in the Administrative Register, an administrative body shall:

- (1) Review the text and accompanying statements of the administrative regulation as published; and
- (2) Notify the Compiler in writing of errors.

If errors are found, the administrative regulation may be reprinted in the next publication of the Administrative Register.

SECTION 3. EMERGENCY ADMINISTRATIVE REGULATION

KRS 13A.190(1) defines an emergency administrative regulation as one that is temporary in nature and must be placed into effect immediately to:

- (1) Meet an imminent threat to the public health, safety, or welfare;
- (2) Prevent a loss of federal or state funds;
- (3) Meet a deadline for the promulgation of an administrative regulation that is established by state law or federal law or regulation; or
- (4) Protect human health and the environment.

An emergency administrative regulation shall not be filed for a period of 9 months after it was first filed, and an emergency administrative regulation identical to or substantially similar to a previously-filed emergency administrative regulation shall not be promulgated [KRS 13A.190(4)].

If an emergency administrative regulation governing the same subject matter of an emergency administrative regulation filed within the previous 9 months is filed, it shall contain a detailed explanation of the manner in which it differs from the previously filed emergency in its statement of emergency [KRS 13A.190(5)].

If an amendment to an existing administrative regulation is filed as an emergency administrative regulation and the amendment is intended to be permanent, the administrative body shall file an amendment to the ordinary administrative regulation to replace the emergency administrative regulation.

(1) Filing an Emergency Administrative Regulation

(a) When Replaced by an Ordinary Administrative Regulation

KRS 13A.190(8)(b) requires that if an emergency administrative regulation will be replaced by an ordinary administrative regulation, the ordinary administrative regulation shall be filed at the same time as the emergency administrative regulation.

An emergency administrative regulation becomes effective immediately upon filing with the Compiler [KRS 13A.190(2)].

A public hearing is not scheduled for an emergency administrative regulation that is going to be replaced by an ordinary administrative regulation. The public hearing is on the ordinary administrative regulation that will replace the emergency administrative regulation [KRS 13A.190(8)(b)2.].

If an emergency administrative regulation will be replaced by an ordinary administrative regulation, the emergency administrative regulation can only be filed when the ordinary administrative regulation is filed.

In addition to the statement of emergency and the body of the emergency administrative regulation, the emergency administrative regulation shall include the:

- (1) Authorizing signature of the administrative body promulgating the administrative regulation;
- (2) Regulatory impact analysis;
- (3) Tiering statement;
- (4) Federal mandate comparison, if applicable;
- (5) Fiscal note, if applicable;
- (6) Summary of material incorporated by reference, if applicable; and
- (7) Other forms or documents required by KRS Chapter 13A [KRS 13A.190(7)(b)].

These documents shall be attached to the back of the emergency administrative regulation.

(b) When Not Replaced by an Ordinary Administrative Regulation

An administrative body that promulgates an emergency administrative regulation that will not be replaced by an ordinary administrative regulation is required to schedule a public hearing and public comment period [KRS 13A.190(8)(a)]. The public hearing and public comment period shall be conducted as required by KRS 13A.270 for an ordinary administrative regulation.

KRS 13A.190(6)(d) provides that if an emergency administrative regulation will not be replaced by an ordinary administrative regulation, the statement of emergency shall include the reasons the emergency will not be replaced.

The emergency administrative regulation shall include the:

- (1) Authorizing signature of the administrative body promulgating the administrative regulation;
- (2) Public hearing and public comment period information required by KRS 13A.270(2);
- (3) Regulatory impact analysis;
- (4) Tiering statement;
- (5) Federal mandate comparison, if applicable;
- (6) Fiscal note, if applicable;
- (7) Summary of material incorporated by reference, if applicable; and
- (8) Other forms or documents required by KRS Chapter 13A [KRS 13A.190(7)(b), (8)(a)].

These documents shall be attached to the back of the emergency administrative regulation.

(2) Statement of Emergency

(a) Contents

An emergency administrative regulation shall contain a statement of:

- (1) The nature of the emergency;
- (2) The reasons an ordinary administrative regulation is not sufficient;
- (3) Whether or not the emergency administrative regulation will be replaced by an ordinary administrative regulation;
- (4) If not replaced by an ordinary administrative regulation, the reasons therefor; and
- (5) If applicable, the explanation of the manner in which the current emergency administrative regulation differs from an emergency administrative regulation filed in the previous 9 months [KRS 13A.190(6)(a)-(e)].

KRS 13A.190(7)(a) provides that the statement of emergency shall be attached to the front of the original and each of the 5 copies of an emergency administrative regulation.

KRS 13A.190(10) provides that, prior to filing with the LRC, an emergency administrative regulation shall be:

- (1) Signed by the head of the administrative body; and
- (2) Countersigned by the Governor.

These signatures shall be on the statement of emergency, which shall be attached to the front of the emergency administrative regulation.

(b) Format

The statement of emergency shall have a 2-inch top margin. The number of the emergency administrative regulation shall be typed directly below the heading, "Statement of Emergency."

If an emergency administrative regulation is going to be filed on an existing ordinary administrative regulation, the emergency shall have the same number as the ordinary followed by an "E." If an emergency administrative regulation is filed and there is no existing ordinary administrative regulation, the promulgating agency must obtain a new number from the Compiler [KRS 13A.190(9)].

If the emergency administrative regulation will be replaced by an ordinary administrative regulation, the format shall be as follows:

| |
|---|
| <p style="text-align: center;">STATEMENT OF EMERGENCY [Emergency Administrative Regulation Number]</p> <p>(1) Nature of the emergency. (2) The reasons an ordinary administrative regulation is not sufficient. (3) This emergency administrative regulation shall be replaced by an ordinary administrative regulation. The ordinary administrative regulation was filed with the Regulations Compiler on [date].</p> <p style="text-align: right;">_____ [NAME], Governor</p> <p style="text-align: right;">_____ [HEAD OF ADMINISTRATIVE BODY, Title]</p> |
|---|

If the emergency administrative regulation will not be replaced by an ordinary administrative regulation, the format shall be as follows:

| |

If an emergency administrative regulation is filed within nine months of a previously filed emergency, the format shall be as follows:

| |
|--|
| <p style="text-align: center;">STATEMENT OF EMERGENCY [Emergency Administrative Regulation Number]</p> <p>(1) Nature of the emergency. (2) The reasons an ordinary administrative regulation is not sufficient. (3) State the specific differences between this emergency administrative regulation and the one that was filed within the previous 9 months. State the date on which the previous emergency administrative regulation was filed. (4) State whether or not this emergency administrative regulation will be replaced by an ordinary administrative regulation (see previous examples).</p> <p style="text-align: right;">_____ [NAME], Governor</p> <p style="text-align: right;">_____ [HEAD OF ADMINISTRATIVE BODY, Title]</p> |
|--|

(3) Publication of Emergency Administrative Regulation

If an emergency administrative regulation is filed by noon on the 15th of the month, it will be published in the next month's Administrative Register. If the 15th falls on a Saturday, Sunday, or holiday, the deadline shall be by noon on the preceding workday.

If an emergency administrative regulation is filed after noon on the 15th of the month, it will be published in the Administrative Register following the next month's deadline for publication of administrative regulations [KRS 13A.190(2)].

(4) Effective Date and Expiration of Emergency Administrative Regulation

KRS 13A.190(2) provides that an emergency administrative regulation is effective immediately upon filing with the Compiler. It does not become effective when it is signed by the Governor.

KRS 13A.190(3)(a) provides that an emergency administrative regulation shall expire on the earliest of:

(1) 170 days after the date of publication in the Administrative Register; or

(2) When the ordinary administrative regulation, which replaces the emergency administrative regulation, is adopted.

An emergency administrative regulation shall also expire:

(1) When it is withdrawn [KRS 13A.190(12)(a)]; or

(2) On the date an ordinary administrative regulation filed to replace the emergency administrative regulation is withdrawn [KRS 13A.190(11)(a)].

KRS 13A.190(11)(b) provides that if an administrative body withdraws an ordinary administrative regulation that was filed to replace an emergency administrative regulation, it shall notify the Compiler in writing of the reasons for withdrawal.

(5) Renewal of Emergency Administrative Regulation

KRS 13A.190(4) provides that an administrative body shall not:

(1) File an emergency administrative regulation for a period of 9 months after it has been initially filed; or

(2) Promulgate an emergency administrative regulation that is identical to or substantially the same as one previously filed.

If an emergency administrative regulation governs the same subject matter governed by an emergency administrative regulation filed within the previous 9 months, the statement of emergency shall contain a detailed explanation of the differences between the two emergency administrative regulations [KRS 13A.190(5)].

(6) Review of Emergency Administrative Regulation

KRS 13A.190(13) provides that a subcommittee may review an emergency administrative regulation and may recommend to the Governor that the administrative regulation be withdrawn.

Because an emergency administrative regulation is effective upon filing, it cannot be amended at a legislative subcommittee meeting.

(a) Body of Administrative Regulation

An administrative body shall file the original and 5 copies of an administrative regulation, including the signature page, public hearing and public comment period information, regulatory impact analysis with tiering statement, fiscal note on local government (if applicable), federal mandate comparison (if applicable), and summary of material incorporated by reference (if applicable), with the Compiler [KRS 13A.220(1), 13A.230(1)].

The original and each copy of an administrative regulation, and all attachments, shall be stapled in the top left corner and grouped together [KRS 13A.220(2)]. An electronic version of the administrative regulation shall be filed with the Compiler at the same time the original and 5 copies are filed. The electronic version may either be e-mailed to the Compiler or be contained on a disk [KRS 13A.220(1)(b)].

An amendment to an administrative regulation shall not be made on a reproduced copy of the administrative regulation, but shall be a typed original [KRS 13A.220(3)]. It is recommended that the administrative body contact the Compiler for the official version of an administrative regulation that the administrative body wishes to amend.

There is no requirement that the signature page, public hearing notice, and other required forms be double-spaced.

The first page of the administrative regulation shall have a 2-inch top margin. It is recommended that subsequent pages have 1-inch top, bottom, and side margins.

If it is a new administrative regulation, the designation shall be “(New Administrative Regulation).” If it is an amendment to an existing administrative regulation, the designation shall be “(Amendment).” If it is a repealer administrative regulation (one that is repealing an existing administrative regulation), the designation shall be “(Repealer).” If it is an administrative regulation that has been amended after a public hearing or due to comments received during the public comment period, the designation shall be “(Amended After Comments)”. Similarly emergency administrative regulations shall be designated as “(New Emergency Administrative Regulation)”, “(Emergency Amendment)”, or “(Emergency Repealer)”, whichever is applicable [KRS 13A.220(4)(c)].

A new administrative regulation shall have no underlining, brackets, or strike-throughs [KRS 13A.222(1)]. In an amendment to an existing administrative regulation, new language to be added shall be underlined. Language to be deleted shall be bracketed and struck-through. If new language is replacing language, the new language shall be placed in front of the language to be deleted [KRS 13A.222(2)].

The amendment of an administrative regulation shall not be done by reference to a section of the administrative regulation. The full text of the administrative regulation to be amended shall be filed with LRC [KRS 13A.222(3)(a)].

A section in an administrative regulation shall not be reserved for future use [KRS 13A.222(3)(b)].

If the administrative regulation amends material previously incorporated by reference, the summary shall also list the pages on which changes have been made and provide a detailed summary of the changes and their effect [KRS 13A.2255(2)].

If the administrative regulation does not amend material previously incorporated by reference, a new summary is not required.

(2) Material Incorporated by Reference

(a) Initial Filing

One copy of the material incorporated by reference shall be filed with the Compiler when the administrative regulation is filed [KRS 13A.2251(4)(a)].

If a code or uniform standard is incorporated by reference or adopted with or without changes, a copy of the code or uniform standard shall be filed with the Compiler [KRS 13A.2245(2)(a)].

The material shall be placed in a binder. If more than one document is incorporated by reference in an administrative regulation, all documents incorporated may be included in one binder, and the “citation of each item” shall include a listing of all material included in that binder [KRS 13A.2251(4)(b)].

If the same material is incorporated by reference in more than one administrative regulation, and all of the administrative regulations that incorporate that material are filed at the same time, then the administrative body may file only one copy of the incorporated material. In this case, the numbers of the administrative regulations in which the material is incorporated by reference shall be written, stamped, or typed on the front binder cover and the first page of the material [KRS 13A.2251(4)(c)].

The page or pages indicating changes and the entire new document shall be placed in binders as specified in (2)(a) of this section. The pages being amended may be placed in the same binder as the entire new document by using some type of divider to separate the amended pages from the new pages.

The page or pages being amended may be labeled as the “dirty” copy, and the entire new document may be labeled as the “clean” copy.

(c) Format for Adopting Federal Regulation

A copy of a federal regulation being adopted without change shall be submitted in a binder with the administrative regulation [KRS 13A.2267(4)]. The binder shall comply with the requirements listed in (2)(a) of this section.

This form shall be completed and returned to the promulgating administrative body. It shall be valid for a period of four (4) years from the date it is filed with the agency or until the person submits a written request to be removed from the notification list, whichever occurs first [KRS 13A.270(3)(a)]. KRS Chapter 13A does not restrict the number of subject matters or administrative regulations of which an individual may request to be notified.

The agency may include on the form a place for the person to waive the mailing of the administrative regulation and to instead receive the copy via an electronic transmission to a specified email address. This waiver of the mailing-requirement shall be totally voluntary for the individual.

If the SOC for an administrative regulation not amended after comments is not forwarded to the Compiler at least 15 working days prior to the next meeting of the ARRS, the administrative regulation shall be automatically deferred to the next regularly scheduled meeting of the ARRS [KRS 13A.280(4)(b)].

(d) SOC for Administrative Regulation Amended After Comments

If an administrative regulation is amended as a result of the hearing or due to comments received, the administrative body shall file the original and 5 copies of the administrative regulation as amended and the SOC with the Compiler. The administrative regulation as amended shall be published in the Administrative Register prior to review by the ARRS [KRS 13A.280(3), (6)].

(e) Copies of SOC

An administrative body shall provide a copy of the SOC to any person who attended the public hearing or submitted comments, if so requested [KRS 13A.280(7)].

(6) SOC Format

The SOC shall be typewritten on white paper, 8 1/2 inches by 11 inches. Copies of the SOC may be mechanically reproduced [KRS 13A.280(5)(a)].

The SOC shall have a 2-inch top margin [KRS 13A.280(5)(b)].

The SOC shall have a heading as follows:

STATEMENT OF CONSIDERATION RELATING TO (REGULATION NUMBER)

“Not Amended After Comments” or “Amended After Comments” (whichever applies).

This heading shall be centered [KRS 13A.280(5)(c)].

If administrative regulations were considered as a group at one public hearing, the administrative body may file one SOC for the group of administrative regulations. The heading shall include a list of each administrative regulation considered [KRS 13A.280(5)(h)].

Following the heading, the SOC shall provide the following information:

(1) A statement setting out the date, time, and place of the hearing, and whether the hearing was held or canceled;

(2) A list of those either attending the hearing or submitting comments, and the organization, agency, or other entity represented, if applicable; and

(3) The name and title of representatives from the administrative body who either attended the hearing or responded to the comments [KRS 13A.280(5)(d)].

The SOC shall include a summary of comments received and the response of the administrative body to each comment. Each comment shall be summarized in a separate numbered paragraph and shall include the name and organization of the person making the comments. If more than one person made the comment, the comment may be summarized once, listing the names of all persons who made the comment. The response by the administrative body shall be included in a separate numbered paragraph below the comment paragraph [KRS 13A.280(5)(e)].

The format for an SOC when the public hearing was canceled, but comments were received during the comment period, is as follows:

- (1) The public hearing on ### KAR ##:###, scheduled for [date of public hearing] at [time of public hearing] was canceled. However, written comments were received during the public comment period.

(7) Format for Administrative Regulation Amended After Comments

If an administrative regulation is amended as a result of the public hearing or comments received, an administrative body shall forward the original and five (5) copies of the following material to the Compiler by noon on the 15th day following the last day of the public comment period:

- (1) The administrative regulation, indicating amendments in its original wording that are a result of the public hearing or any comments received by the administrative body;
- (2) The following attachments:
 - (a) The regulatory impact analysis and tiering statement;
 - (b) The federal mandate comparison, if applicable;
 - (c) The fiscal note on local government, if applicable; and
 - (d) Summary of material incorporated by reference, if applicable; and
- (3) The SOC [KRS 13A.280(3)].

The SOC shall be attached to the back of the original and each copy of the administrative regulation, following all of the required forms. The pages of the SOC do not have to be numbered sequentially with the administrative regulation and all attachments.

An administrative regulation that is amended as a result of comments received shall be published in the Administrative Register [KRS 13A.280(6)].

SECTION 6. SUBSEQUENT AMENDMENT OF ADMINISTRATIVE REGULATION

KRS 13A.125 establishes the requirements for the amendment of an administrative regulation that has:

- (1) Been filed with LRC; and
- (2) Not been adopted.

(1) General

KRS 13A.125 provides that if a new administrative regulation or an amendment to an existing administrative regulation has been filed with LRC, but has not been adopted, an administrative body shall not file:

- (1) Another amendment to the existing administrative regulation; or
- (2) An amendment to the new administrative regulation.

(2) Exceptions

KRS 13A.125(1), (2), (3), and (4) provide that an administrative body may file subsequent amendments if:

- (1) Failure to file subsequent amendments would result in:
 - (a) A loss of:
 1. Accreditation;
 2. Federal funds; or
 3. State funds; or
 - (b) The imposition of another state or federal penalty;
- (2) Immediate implementation is required by a:
 - (a) Court decision;
 - (b) Federal mandate; or
 - (c) State mandate;
- (3) Conditions warrant the filing of an emergency administration regulation; or
- (4) The amendments are made:
 - (a) After the public hearing or public comment period as provided by KRS 13A.280; or
 - (b) At a legislative subcommittee meeting during which the administrative regulation is being reviewed as provided by KRS 13A.290.

SECTION 7. LRC STAFF REVIEW

(1) Initial Staff Review

The initial staff review is an in-house function performed by LRC staff and is not a requirement established in KRS Chapter 13A. This review does not delay the review process.

After an administrative regulation has been filed with LRC, the Compiler will forward it to LRC staff for review.

The initial staff review of an administrative regulation is made by a staff person of:

- (1) An interim joint committee (during the interim between sessions); or
- (2) The standing committees of the Senate and House (during a session).

The staff person may contact the contact person designated by an administrative body to discuss questions raised by his or her review.

If an administrative regulation is amended after the public hearing or because of written or oral comments received as provided in KRS 13A.280, it is reviewed a second time by LRC staff.

The initial staff review is forwarded by the Compiler to the:

- (1) Staff of the ARRS; and
- (2) Members of the ARRS.

If the initial staff review raised questions relating to the administrative regulation, the Committee Staff Administrator of the ARRS will notify the contact person that questions have been raised. The notification will instruct the contact person to discuss questions raised with the ARRS staff member named in the notification.

The initial staff review is not binding on members of any legislative subcommittee or on the ARRS staff.

(2) Review by ARRS Staff

ARRS staff review all administrative regulations prior to ARRS consideration. This review includes the administrative regulation, all material filed with the administrative regulation, relevant statutory and case law (both federal and state), and the initial staff review.

In the review of an administrative regulation, ARRS staff will include suggested amendments to:

- (1) Comply with changes recommended by the Compiler relating to division or renumbering of the administrative regulation pursuant to KRS 13A.220(5);
- (2) Conform to other requirements established in KRS Chapter 13A; and
- (3) Comply with applicable federal or state statutory or case law.

Members of the public, administrative body personnel, and persons representing regulated entities may submit additional material or comments. Additional information should be submitted to the ARRS in care of the Compiler.

ARRS staff will discuss with the contact person questions raised and will inform the members of the ARRS of their conclusions.

SECTION 8. ADMINISTRATIVE REGULATION REVIEW SUBCOMMITTEE (ARRS)

(1) ARRS Members

Members of the ARRS review the:

- (1) Administrative regulation, including required attachments;
- (2) Initial staff review;
- (3) Comments prepared by ARRS staff; and
- (4) Any other relevant material, including information and comments submitted by the public, administrative body personnel, and persons representing regulated entities.

Members of the ARRS are not bound by staff reviews.

An administrative body shall provide additional information to the ARRS upon request [KRS 13A.030(3)].

(2) ARRS Meetings

(a) Notice

The ARRS shall review an administrative regulation within:

- (a) 45 days after publication in the Administrative Register; or
- (b) 60 days of the receipt of the SOC required by KRS 13A.280 [KRS 13A.290(1)].

A meeting of the ARRS shall be open to the public. A notice of the time, date, and place of the meeting shall be published in the Administrative Register [KRS 13A.290(2), (3)].

Members of the public, administrative body personnel, and persons representing regulated entities may attend an ARRS meeting. They may appear before the ARRS to testify; offer written or oral comments; or request that an administrative regulation be amended, withdrawn, approved, deferred, or found deficient.

(b) Persons Required to Attend

A representative of the promulgating administrative body shall be present at the ARRS meeting to explain the administrative regulation, answer related questions, and agree to amendments proposed at the ARRS meeting [KRS 13A.290(4)].

The administrative regulation shall be deferred to the next regularly scheduled meeting of the ARRS if the representative does not have the authority to amend the administrative regulation or is not present [KRS 13A.290(4)].

(c) Deferral of Administrative Regulation

An administrative regulation may be deferred at the request of either the administrative body or the ARRS. KRS 13A.300(1) provides that a request to defer made by an administrative body requires the consent of the ARRS. KRS 13A.300(2) provides that a request to defer made by the ARRS requires the consent of the administrative body.

If an administrative regulation is deferred, it shall:

- (1) Be placed on the agenda for the next regularly scheduled meeting of the ARRS; and
- (2) Not require repromulgation or refiling [KRS 13A.300(3)].

(3) Duties and Authority of the ARRS

The ARRS shall review a new or amended administrative regulation for compliance with KRS Chapter 13A and other applicable statutes. The ARRS may also review existing administrative regulations [KRS 13A.030(1)(a), (b)].

The ARRS may conduct a continuous study regarding needed legislative changes, make recommendations for statutory changes, and conduct other studies relating to administrative regulations [KRS 13A.030(1)(a), (c), (d)].

In its review of an administrative regulation, the ARRS may make a nonbinding determination that an administrative regulation is deficient because it:

- (1) Is wrongfully promulgated;
- (2) Appears to be in conflict with an existing statute;
- (3) Appears to have no statutory authority for its promulgation;
- (4) Appears to impose stricter or more burdensome state requirements than required by a federal mandate without reasonable justification;
- (5) Fails to tier when applicable;
- (6) Exceeds the authority of the administrative body; or
- (7) Appears to be deficient in any other manner [KRS 13A.030(2)(a)].

In addition, the ARRS may make a nonbinding determination that an administrative regulation:

- (1) Is needed to implement an existing statute; or
- (2) Should be amended or repealed [KRS 13A.030(2)(b), (c)].

(4) Amendments at ARRS Meetings

KRS 13A.320(1)(a) provides that:

- (1) An administrative body may amend an administrative regulation at an ARRS meeting if the ARRS consents; and
- (2) The ARRS may amend an administrative regulation at the ARRS meeting if the administrative body consents.

KRS 13A.320(1)(b) provides that an administrative regulation shall not be amended at the ARRS meeting unless the amendment concerns an issue relating to the administrative regulation that was:

- (1) Considered at the public hearing or raised pursuant to comments received by the administrative body at the public hearing or during the public comment period; or
- (2) Raised by the ARRS.

An administrative regulation that is amended at an ARRS meeting may be adopted as amended. It is not required to be resubmitted or refiled [KRS 13A.320(1)(c)].

Subsequent to its adoption, an administrative regulation that is amended at the ARRS meeting is published in the Administrative Register as amended unless the amendments:

- (1) Relate only to format and drafting requirements of KRS 13A.220(5) and 13A.222(4)(b), (c), (i), (j), and (k); and
- (2) Do not alter the intent, meaning, conditions, standards, or other requirements of the administrative regulation [KRS 13A.320(1)(d)].

If the amendments meet the requirements established in KRS 13A.320(1)(d), the Compiler shall publish a notice in the Administrative Register that the administrative regulation was amended only to comply with the format and drafting requirements of KRS Chapter 13A [KRS 13A.320(1)(e)].

The notice required by KRS 13A.320(1)(e) shall be a part of the ARRS report.

(a) Proposed by Administrative Body

KRS 13A.320(1)(a) provides that an administrative body may amend an administrative regulation at an ARRS meeting if the ARRS consents.

An amendment proposed by an administrative body shall be contained in a letter to the ARRS and approved by the head of the administrative body [KRS 13A.320(2)(a),(b)].

The letter shall:

- (1) Identify the administrative body;
- (2) State the number and title of the administrative regulation;
- (3) Be dated;
- (4) Be filed with the Compiler at least 5 workdays prior to the meeting of the ARRS; and
- (5) Comply with the format requirements of KRS 13A.320(2)(c) and (d) [KRS 13A.320(2)(b)].

KRS 13A.320(3) requires that an administrative body submit 20 copies of an amendment to the Compiler prior to the ARRS meeting at which the amendment will be considered.

KRS 13A.320(2)(c) and (d) establish the format for amendments offered at an ARRS meeting.

On separate lines, the amendment shall be identified by the number of the:

- (1) Page;
- (2) Section, subsection, paragraph, subparagraph, clause, or subclause, as appropriate; and
- (3) Line [KRS 13A.320(2)(c)].

If a word or phrase is to be deleted, the amendment shall identify the word or phrase to be deleted and state that it is to be deleted. If a word or phrase will be replaced by another word or phrase, the amendment shall specify the word or phrase that will be deleted and specify the word or phrase that is to be inserted [KRS 13A.320(2)(d)1.].

New language to be inserted shall be underlined, and the amendment shall state that it is to be inserted [KRS 13A.320(2)(d)2.].

If the language to be inserted or deleted consists of four or fewer words, the words to be inserted or deleted shall be placed between quotation marks. If the language to be inserted or deleted consists of more than four words, the words shall be indented and not placed between quotation marks [KRS 13A.320(2)(d)3.].

If a section, subsection, paragraph, subparagraph, clause, or subclause is to be deleted in its entirety, the amendment shall identify it and state that it is deleted in its entirety [KRS 13A.320(2)(d)4.].

The format for the letter and amendment proposed by the administrative body shall be as follows:

After discussions with Administrative Regulation Review Subcommittee staff of the issues raised by ### KAR ##:###, the [name of administrative body] proposes the attached amendment to ### KAR ##:###.

Sincerely,

[Name, Title]
[Administrative Body]

NOTE: Attach proposed amendment in format established in (4)(a) on a separate sheet of paper.

(5) ARRS Report to LRC

KRS 13A.290(5) provides that after the ARRS meeting, the ARRS shall forward its findings, recommendations, or other comments it deems appropriate, in writing to LRC. The ARRS' findings shall be:

- (1) Sent to the administrative body; and
- (2) Published in the Administrative Register.

SECTION 9. APPROPRIATE JURISDICTIONAL LEGISLATIVE SUBCOMMITTEE REVIEW

(1) LRC Referral and Consideration by a Legislative Subcommittee

KRS 13A.290(6)(a) provides that LRC shall assign the administrative regulations reviewed at the ARRS to a legislative subcommittee of appropriate jurisdiction. A legislative subcommittee of appropriate jurisdiction is:

(1) An interim joint committee with jurisdiction over the subject matter (during the interim between sessions); or

(2) Senate and House standing committees of appropriate jurisdiction over the subject matter, meeting either jointly or separately (during a regular session) [KRS 13A.290(6)(a)1. and 2.].

KRS 13A.290(7) authorizes the legislative subcommittee to hold a public meeting to review the assigned administrative regulations within 30 days of the assignment. If the 30th day falls on a Saturday, Sunday, or holiday, the deadline for the legislative subcommittee review shall be the workday following the Saturday, Sunday, or holiday.

The legislative subcommittee may also review an existing administrative regulation and make a determination as provided by KRS 13A.030(2) and (3) [KRS 13A.290(7)].

(2) Legislative Subcommittee Meetings

(a) Notice

A legislative subcommittee to which an administrative regulation is assigned shall notify the Compiler:

(1) Of the date, time, and place of the meeting at which it will consider the administrative regulation; or

(2) That it will not meet to consider the administrative regulation [KRS 13A.290(6)(b)].

KRS 13A.290(7) requires that a notice of the date, time, and place of the legislative subcommittee's meeting be placed in the legislative calendar.

(b) Review

Members of a legislative subcommittee review the:

(1) Administrative regulation, including required attachments;

(2) Initial staff review;

(3) Comments prepared by ARRS staff;

(4) Amendments made at the ARRS meeting; and

(5) Any other relevant material, including information and comments submitted by the public, administrative body personnel, and persons representing regulated entities.

Members of the legislative subcommittee are not bound by staff reviews.

An administrative body shall provide additional information to the legislative subcommittee upon request [KRS 13A.030(3), 13A.290(7), (8)].

In its review of an administrative regulation, the legislative subcommittee may make a nonbinding determination that an administrative regulation is deficient because it:

(1) Is wrongfully promulgated;

(2) Appears to be in conflict with an existing statute;

(3) Appears to have no statutory authority for its promulgation;

- (4) Appears to impose stricter or more burdensome state requirements than required by a federal mandate, without reasonable justification;
- (5) Fails to tier when applicable;
- (6) Exceeds the authority of the administrative body; or
- (7) Appears to be deficient in any other manner [KRS 13A.030(2)(a), 13A.290(7), (8)].

In addition, the legislative subcommittee may make a nonbinding determination that an administrative regulation:

- (1) Is needed to implement an existing statute; or
- (2) Should be amended or repealed [KRS 13A.030(2)(b), (c), 13A.290(7), (8)].

A representative of the promulgating administrative body shall be present at the legislative subcommittee meeting to explain the administrative regulation, answer related questions, and agree to amendments proposed at the legislative subcommittee meeting [KRS 13A.290(4)].

The administrative regulation shall be deferred to the next regularly scheduled meeting of the legislative subcommittee if the representative does not have the authority to amend the administrative regulation or is not present [KRS 13A.290(4)].

The administrative regulation assigned to a legislative subcommittee may undergo an additional review by staff of the legislative subcommittee.

Members of the public, administrative body personnel, and persons representing regulated entities may attend a legislative subcommittee meeting. They may appear before it to testify; offer written or oral comments; or request that an administrative regulation be amended, withdrawn, approved, deferred or found deficient .

(3) Authority of Legislative Subcommittee

KRS 13A.290(8) grants a legislative subcommittee to which an administrative regulation is assigned for review by LRC the same authority granted to the ARRS.

KRS 13A.290(9) requires that, during a session of the General Assembly, standing committees of the Senate and House must agree with each other in order to amend an administrative regulation or find an administrative regulation deficient. If the standing committees meet jointly, KRS 13A.290(9)(b) requires a majority of Senate members voting and a majority of House members voting in order to take action.

A legislative subcommittee is not bound by the determination of the ARRS. For example, even if the ARRS determined that an administrative regulation complied with statutory authority, a legislative subcommittee may determine that it exceeds statutory authority.

(4) Amendments at Legislative Subcommittee Meetings

Amendments made at a legislative subcommittee meeting shall meet the same requirements as amendments made at the ARRS meeting. See “(4) Amendments at ARRS Meetings” in “Section 8. Administrative Regulation Review Subcommittee (ARRS).”

(5) Legislative Subcommittee Notification of Compiler and Report to LRC

The legislative subcommittee shall inform the Compiler of its findings, recommendations, or other action taken regarding an administrative regulation upon adjournment of the meeting at which it was considered [KRS 13A.290(10)(a)].

KRS 13A.290(10)(b) provides that following its meeting, the legislative subcommittee shall forward its findings, recommendations, and other comments, in writing to LRC. The legislative subcommittee's findings shall be:

- (1) Sent to the administrative body; and
- (2) Published in the Administrative Register.

(b) During a Regular Session of the General Assembly

During a regular session of the General Assembly, the second legislative subcommittee review is conducted by two standing committees — the Senate standing committee and the House standing committee. These standing committees may meet jointly or separately, but both must meet and agree in order to take any action other than reviewing an administrative regulation [KRS 13A.290(6)(a)2., (9)].

1. Both Standing Committees Review Administrative Regulation, Meeting Separately

An administrative regulation that has not been found deficient by the ARRS or both standing committees shall be considered as adopted and shall become effective on adjournment of the second standing committee's meeting if both standing committees:

2. Both Standing Committees Review Administrative Regulation, Meeting Jointly

An administrative regulation that has not been found deficient by the ARRS or both standing committees shall be considered as adopted and shall become effective on adjournment of the standing committees' joint meeting if the joint committee:

- (1) Meets within 30 days of assignment of the administrative regulation;
- (2) Has a quorum;
- (3) Includes the administrative regulation on its agenda; and
- (4)(a) Considers the administrative regulation; or
- (b) Fails to consider the administrative regulation and fails to agree to defer its consideration of the administrative regulation [KRS 13A.331(1)(b)].

3. Standing Committee Does Not Review Administrative Regulation

(2) Administrative Regulation Found Deficient

(a) During the Interim

If an administrative regulation has been found deficient by either the ARRS or a legislative subcommittee, the subcommittee that found it deficient shall transmit to the Governor:

- (1) A copy of its finding of deficiency and other appropriate findings, recommendations, or comments; and
- (2) A request that the Governor determine if the administrative regulation shall:
 - (a) Be withdrawn;
 - (b) Be withdrawn and amended to conform to the finding of deficiency; or
 - (c) Become effective notwithstanding the finding of deficiency [KRS 13A.330(2)].

A copy of the transmittal to the Governor shall be sent to the Compiler [KRS 13A.330(3)].

The Governor shall transmit his determination to LRC and the Compiler [KRS 13A.330(4)].

An administrative regulation that has been found deficient during an interim shall be considered as adopted and become effective after:

- (1) A legislative subcommittee to which the administrative regulation was assigned has:
 - (a) Considered the administrative regulation; or

(b) During a Regular Session of the General Assembly

If an administrative regulation has been found deficient by the ARRS, or by both standing committees meeting separately, or by the standing committees meeting jointly, then the subcommittee, standing committees meeting jointly, or both standing committees meeting separately shall transmit to the Governor:

- (1) A copy of the finding of deficiency and other appropriate findings, recommendations, or comments; and
- (2) A request that the Governor determine if the administrative regulation shall:

- (a) Be withdrawn;
- (b) Be withdrawn and amended to conform to the finding of deficiency; or
- (c) Become effective notwithstanding the finding of deficiency [KRS 13A.331(2)].

A copy of the transmittal to the Governor shall be sent to the Compiler [KRS 13A.331(3)].

The Governor shall transmit his determination to LRC and the Compiler [KRS 13A.331(4)].

An administrative regulation that has been found deficient during a regular session of the General Assembly shall be considered as adopted and become effective after:

- (1) The standing committees to which the administrative regulation was assigned have:

- (a) Considered the administrative regulation;

- (b) Failed to consider the administrative regulation and failed to agree to defer its consideration of the administrative regulation; or

- (c) Failed to meet within 30 days of the assignment; and

- (2) The Governor's determination has not been received by the Compiler [KRS 13A.330(5)(b)].

2. During a Regular Session of the General Assembly

An administrative regulation that has been found deficient by the ARRS, by both standing committees meeting separately, or by both standing committees meeting jointly shall become effective if:

- (1) The ARRS, or both standing committees meeting separately, or both standing committees meeting jointly subsequently determine that the administrative regulation is not deficient; and

- (2) The Governor's determination has not been received by the Compiler [KRS 13A.331(5)(b)].

SECTION 11. REPEAL OF AN ADMINISTRATIVE REGULATION

(1) General Provisions

KRS 13A.310(1) provides that once an administrative regulation is adopted, it shall not be withdrawn. If an administrative body no longer wants an administrative regulation to be effective, it shall repeal it. KRS 13A.310(2) provides that once adopted, an administrative regulation shall not be suspended. If an administrative body wants to suspend the effect of an administrative regulation, it shall repeal it.

An administrative regulation shall not be repealed by amending another administrative regulation to provide for its repeal.

If an administrative regulation is no longer required, a new administrative regulation shall be promulgated by the administrative body for the sole purpose of repealing it. The administrative body shall call the Compiler for a new number for the repealer administrative regulation.

An administrative regulation that repeals an administrative regulation shall contain the following elements:

(1) The title of the repealer administrative regulation shall be: “Repeal of [state number of administrative regulation to be repealed].” [KRS 13A.310(3)(a)1.].

(2) The RELATES TO paragraph shall contain the statute numbers to which the administrative regulation to be repealed relates. If an amendment to a statute causes the necessity of repealing an existing administrative regulation, this paragraph shall cite that statute.

(3) The STATUTORY AUTHORITY paragraph shall contain the statute that gives the administrative body the authority to promulgate administrative regulations.

(4) The NECESSITY, FUNCTION, AND CONFORMITY paragraph shall contain the reasons the administrative regulation is being repealed [KRS 13A.310(3)(a)2.].

(5) The body of the administrative regulation shall contain a citation to the number and title of the administrative regulation being repealed [KRS 13A.310(3)(a)3.].

(6) The administrative regulation shall meet the filing and formatting requirements of KRS 13A.220 [KRS 13A.310(3)(a)4.].

Since the only purpose of the repealer administrative regulation is to repeal an existing administrative regulation, once the existing administrative regulation is repealed, the repealer administrative regulation is no longer necessary. On the effective date of the repealer administrative regulation, the Compiler shall delete the repealed administrative regulation and the repealer administrative regulation from the Kentucky Administrative Regulations Service [KRS 13A.310(3)(b)].

An administrative body may repeal more than one administrative regulation in a repealer administrative regulation if the administrative regulations to be repealed are in the same chapter of the Kentucky Administrative Regulations Service [KRS 13A.310(3)(c)].

The signatures, public hearing information, and forms required to be filed with an ordinary administrative regulation are required to be filed with a repealer administrative regulation.

(2) Format for Repealer Administrative Regulation

The format for the body of a repealer administrative regulation shall be as follows:

CABINET

Department

Division

(Repealer) or (Emergency Repealer)

KAR ##:###. Repeal of ### KAR ##:###. or ### KAR ##:### E. Repeal of ### KAR ##: ###.

RELATES TO: KRS [999.999]

STATUTORY AUTHORITY: KRS [999.999]

NECESSITY, FUNCTION, AND CONFORMITY: State reasons it is necessary to repeal the existing administrative regulation.

or

Section 1. The following administrative regulations are hereby repealed:

(1) ### KAR ##:###, [Title of administrative regulation]; and

(2) ### KAR ##:###, [Title of administrative regulation].

SECTION 12. WITHDRAWAL OF AN ADMINISTRATIVE REGULATION

(1) General Provisions

An administrative body may withdraw an administrative regulation at any time prior to its adoption. The administrative body that promulgated the administrative regulation shall inform the Compiler in writing of its reasons for the withdrawal [KRS 13A.310(4)].

If an administrative regulation is withdrawn, it shall not be reinstated except by repromulgation as a totally new matter [KRS 13A.310(5)].

If a new administrative regulation is filed, published, and subsequently withdrawn, the number used for that new administrative regulation may not be used again. If the administrative body wishes to reinstate the subject matter that was contained in the withdrawn administrative regulation, another new administrative regulation number shall be obtained from the Compiler.

If an amendment to an existing administrative regulation is filed and subsequently withdrawn, the administrative regulation as it existed prior to the proposed amendment remains in effect. The administrative body cannot reinstate the withdrawn amendment except by promulgating another amendment to the existing administrative regulation.

An administrative regulation that has been adopted (and is, therefore, effective) shall not be withdrawn or suspended. If an administrative body desires that an effective administrative regulation no longer be effective, it shall repeal the administrative regulation [KRS 13A.310(1), (2)].

(2) Mandatory Withdrawal

An administrative regulation filed with LRC shall be withdrawn and shall not be reviewed by a legislative subcommittee if:

- (1) It has not been reviewed or approved by an official or administrative body with authority to review or approve;
- (2) An item is not filed on or before a deadline specified by KRS Chapter 13A; or
- (3) The administrative body fails to comply with any provision of KRS Chapter 13A governing the filing of administrative regulations, public hearings, and the SOC [KRS 13A.315(1)].

(3) Withdrawal of Deficient Administrative Regulation Upon Governor's Determination

An administrative body shall notify the Compiler in writing and by phone that an administrative regulation is withdrawn when:

- (1) The administrative regulation has been found deficient by a legislative subcommittee; and
- (2) The Governor determines that the deficient administrative regulation shall be withdrawn [KRS 13A.315(3)(a), (b)].

The letter to the Compiler withdrawing a deficient administrative regulation shall read as follows:

“Pursuant to KRS 13A.330(2)(b) or 13A.331(2)(b), the Governor has determined that (administrative regulation number and title) shall be (withdrawn, or withdrawn and amended to conform to the finding of deficiency, as applicable). The (name of promulgating administrative body) withdraws (administrative regulation number and title)” [KRS 13A.315(3)(c)].

(4) Effect of Withdrawal of Emergency Administrative Regulation

If an emergency administrative regulation is withdrawn, it shall expire on the date it is withdrawn [KRS 13A.190(12)(a)].

If an ordinary administrative regulation that was filed to replace an emergency administrative regulation is withdrawn, the emergency administrative regulation shall expire on the date the ordinary administrative regulation is withdrawn [KRS 13A.190(11)(a)].

An administrative body shall notify the Compiler in writing of the reasons for the withdrawal of an ordinary or emergency administrative regulation [KRS 13A.190(11)(b), (12)(c), 13A.310(4)].

If an emergency administrative regulation is withdrawn, the ordinary administrative regulation filed to replace the emergency administrative regulation shall not be considered withdrawn or expired unless the administrative body also withdraws the ordinary administrative regulation [KRS 13A.190(12)(b)].

SECTION 13. REGULATIONS COMPILER

The Compiler is appointed by the director of LRC and performs the following duties:

- (1) Receives administrative regulations and other documents required to be filed by KRS Chapter 13A;
 - (2) Stamps administrative regulations and other required documents with the time and date of receipt;
 - (3) Provides administrative and support services to the ARRS;

- The Compiler maintains a library that contains:
- (1) Existing administrative regulations;

 - (15) Other reports, studies, letters, and memoranda of the ARRS; and
 - (16) Material relating to action by the General Assembly on administrative regulations.

SECTION 14. TRANSFER OF AUTHORITY

KRS 13A.312 establishes procedures that apply when authority over a subject matter is transferred from one administrative body to another by statute or executive order.

If legislation is enacted or an executive order is issued that transfers authority over a subject matter from one administrative body to another administrative body, the existing administrative regulations governing that subject matter are not automatically transferred.

The administrative body from which authority was transferred shall repeal the existing administrative regulations [KRS 13A.312(1)(a)].

The administrative body that has been granted authority over the subject matter shall promulgate new administrative regulations governing the subject matter [KRS 13A.312(1)(b)].

The administrative body required to repeal existing administrative regulations shall file the repealer administrative regulation at the same time that the administrative body to which authority was transferred files new administrative regulations governing the subject matter [KRS 13A.312(2)].

Administrative regulations that are repealed pursuant to the transfer of authority shall be repealed in accordance with KRS 13A.310(3) [KRS 13A.312(3)].

SECTION 15. DEADLINES

(1) General [KRS 13A.150; 13A.315(1)(b)]

If KRS Chapter 13A requires that an item be filed by a specified date, the item shall be filed on or before noon, eastern time, on that specified date [KRS 13A.150(1)].

If the specified date for an item to be filed falls on a Saturday, Sunday, or holiday, the item shall be filed on or before noon, eastern time, on the workday immediately preceding the specified date [KRS 13A.150(2)].

An administrative regulation shall be withdrawn and shall not be reviewed by a legislative subcommittee if an item is not filed on or before a deadline specified by KRS Chapter 13A [KRS 13A.315(1)(b)].

(2) Hearings Required by Statute Other Than KRS Chapter 13A [KRS 13A.160]

If a statute other than KRS Chapter 13A requires that a hearing be held prior to the filing of an administrative regulation, the administrative body shall notify the Compiler not less than 45 days prior to the date of that hearing of the time, date, place, and subject of the hearing. The Compiler shall place that notice in the Administrative Register.

(3) Publication in Administrative Register [KRS 13A.050(3)]

Proposed administrative regulations (including emergencies, new ordinary administrative regulations, and amendments, both new and amended after comments) shall be filed by noon on the 15th day of the month in order to be published in the next month's Administrative Register.

(4) Filing of Emergency Administrative Regulation [KRS 13A.190(8)]

If an emergency administrative regulation will be replaced by an ordinary administrative regulation, the emergency administrative regulation shall be filed at the same time as the ordinary administrative regulation that will replace the emergency. If an emergency administrative regulation will not be replaced by an ordinary administrative regulation, the emergency may be filed at any time during regular business hours.

(5) Notice on Fee Information [KRS 13A.255(1)]

If an administrative regulation establishes or increases fees, within 5 working days of the filing of the administrative regulation, the administrative body shall mail the notice required by KRS 13A.255(2) containing an explanation of the fee or increase to each state association, organization, or other body affected by the administrative regulation.

(6) Mailing Administrative Regulation to Individuals [KRS 13A.270(3)(b)]

The administrative body shall mail a copy of the administrative regulation as filed, and all attachments required by KRS 13A.230, to every person who has filed the form requesting to be notified of an administrative body's filing of an administrative regulation, including those who previously requested notification when a Notice of Intent was filed. The administrative regulation shall be mailed

within 5 working days after it is filed and shall be accompanied by a cover letter requesting that affected individuals, businesses, or other entities submit written comments that identify the anticipated effects of the proposed administrative regulation [KRS 13A.270(3)(b)].

(7) Ordinary Public Hearing and Public Comment Period

(a) Request to Attend Ordinary Public Hearing [KRS 13A.270(2)(c)]

If a person wishes to attend the ordinary administrative regulation public hearing, he or she shall notify the administrative body promulgating the administrative regulation at least 5 working days prior to the public hearing that he or she wishes to attend.

(b) Letter on Status of Ordinary Public Hearing [KRS 13A.270(5), (6)]

An administrative body shall immediately notify the Compiler in writing and by telephone whether the public hearing will be held or canceled.

(c) Letter on Status of Public Comment Period [KRS 13A.270(5), (6)]

An administrative body shall immediately notify the Compiler in writing and by telephone whether written comments have been received.

If written comments are received, the notification shall be sent immediately upon receipt of the written comments [KRS 13A.270(6)(b)].

If written comments are not received, the notification shall be sent to the Compiler the day following the last day of the public comment period [KRS 13A.270(5)(b)]. This will enable the administrative body to give consideration to any comments received before the close of business that day.

(d) Filing of Ordinary SOC [KRS 13A.280(2)]

The SOC for an ordinary administrative regulation shall be filed on or before noon, eastern time, 15 calendar days following the last day of the public comment period.

(e) Extending Deadline for Filing SOC [KRS 13A.280(2)(b)]

If an administrative body has received a significant number of comments, it may extend its deadline for filing the SOC up to 30 days by notifying the Compiler in writing on or before noon of the 15th calendar day following the last day of the public comment period. The SOC is then due on or before noon of the final day of the extension, which would be no later than 45 days following the last day of the public comment period. For example, if the extension is for 10 days, the SOC would be due on the 25th day following the last day of the public comment period (original 15 days plus 10 extended days).

(f) SOC, Not Amended After Comments , ARRS Review [KRS 13A.280(4)(b)]

If an administrative regulation is not amended after public hearing or due to comments received and the SOC is filed at least 15 working days prior to the next meeting of the ARRS, the administrative regulation may remain on the agenda for that meeting.

If the SOC, Not Amended After Comments , is not received at least 15 working days prior to the meeting, it shall be deferred.

(8) ARRS Review

(a) Amendments at ARRS Meeting Initiated by Administrative Body

An amendment to be made at the ARRS meeting, which is initiated by an administrative body, shall be filed with the Compiler at least 5 workdays prior to that meeting [KRS 13A.320(2)(b)4.].

(b) Review by ARRS

An administrative regulation shall be reviewed by the ARRS within 45 calendar days of publication in the Administrative Register, or within 60 calendar days of receipt of the SOC [KRS 13A.290(1)].

(9) Review by Second Legislative Subcommittee [KRS 13A.290(7)]

After review by the ARRS, an administrative regulation shall be referred to a subcommittee of appropriate jurisdiction for a second review. The second legislative subcommittee has 30 calendar days in which to review the administrative regulation. If the administrative regulation is not reviewed in that 30 day period, the administrative regulation shall become effective without a second review at the end of the 30 day period.

SECTION 16. DRAFTING REQUIREMENTS

(1) General Provisions

(a) Division of Subject Matter of Administrative Regulation

KRS 13A.221(1) provides that an administrative body shall divide the general subject matter of its administrative regulations into topics. A separate administrative regulation shall be promulgated for each topic.

For example, an administrative regulation shall not contain every topic relating to the Food Stamp Program. Administrative regulations governing the Food Stamp Program shall be broken down into topics such as eligibility requirements and fair hearings. If a topic contains a great number of subtopics, an administrative body may wish to break it down into several topics placed in separate administrative regulations.

When an administrative regulation is amended, KRS 13A.221(3) provides that it shall be amended to comply with the requirements of KRS Chapter 13A, which would include the requirements for separate topical administrative regulations in KRS 13A.221(1).

(b) Language

KRS 13A.222 establishes format and drafting rules for administrative regulations.

KRS 13A.222(4) contains explicit instructions governing the words and phrases that may be used in an administrative regulation.

KRS 13A.222(4)(a) requires that an administrative body use plain and unambiguous words easily understood by laymen. The administrative body shall avoid ambiguous, indefinite, or superfluous words and phrases.

KRS 13A.222(4)(b) requires that a duty, obligation or prohibition be expressed by “shall” or “shall not,” and a discretionary power be expressed by “may.” It specifically prohibits the use of “should,” “could,” or “must.” To express future tense, the word “shall” should not be used.

KRS 13A.222(4)(c) prohibits the separation of alternatives with a slash and the use of contractions. It also requires the word “and” to establish that a number of items are all required and the word “or” to establish that all of a number of items are not required. Additionally, KRS 13A.222(4)(c) prohibits the use of “said,” “hereinabove,” “whatsoever,” or similar words of reference or emphasis and it prohibits use of the word “such” if an article may be used instead.

While an administrative regulation must comply with applicable federal statutes or regulations, it must also comply with state statutes, including the provisions of KRS Chapter 13A. State administrative bodies may not substitute the format or language of federal regulations for the format or language prescribed by KRS Chapter 13A. State administrative bodies may not justify the use of words or phrases prohibited by KRS 13A.222(4) because the words or phrases are used in a federal regulation.

For example, federal regulations use “must.” KRS 13A.222(4)(b) provides that a duty or obligation shall be expressed by “shall,” and prohibits the use of “must” to express a duty or obligation. Since the intent of a federal regulation that uses “must” is to express a duty or obligation, there should be no objection to or problem with the use of “shall” in order to comply with the state statute.

KRS 13A.222(4)(k) provides a list of prohibited words and phrases:

| <u>Do Not Use:</u> | <u>Use:</u> |
|---|--|
| And/or | “and” for a conjunctive “or” for a disjunctive |
| Any and all | either word |
| As provided in this administrative regulation | -- |
| At the time | when |
| And the same hereby is | is |
| Either directly or indirectly | -- |
| Except where otherwise provided | state specific exemption |
| Final and conclusive | final |
| Full force and effect | force or effect |
| In the event that; In case | if |
| Is authorized; Is empowered | may |
| Is defined and shall be construed to mean | means |
| Is hereby required to | shall |
| It shall be lawful | may |
| Latin words | Don’t use unless medical or scientific terminology |
| Null and void and of no effect | void |
| Order and direct | either word |
| Provision of law | law |
| Until such time as | until |
| Whenever | if |

The drafter of an administrative regulation should comply with the drafting requirements of KRS 13A.222. When an administrative regulation is amended, existing language should be reviewed and amended to conform with the drafting requirements of KRS 13A.222. If an administrative regulation does not comply with the drafting requirements of KRS 13A.222, a legislative subcommittee can find it deficient.

KRS 13A.222(4)(h) requires the same arrangement and form of expression throughout an administrative regulation, unless the meaning requires variation.

KRS 13A.222(4)(i) requires the use of “if” or “except” rather than “provided that” or “provided, however.” Conditions shall be expressed by “if” rather than “when” or “where.”

KRS 13A.222(4)(j) addresses gender-specific language and the use of plurals. Gender-neutral and singular language should be used whenever possible. For example, use “an applicant” not “every applicant” or “all applicants.”

Use of a slash is prohibited in regard to pronouns (for example, “he/she” or “his/her”). Use of both pronouns (for example, “he or she,” “his or her,” “him or her”) is acceptable on a limited basis.

(2) Items in an Administrative Regulation

(a) RELATES TO Paragraph

KRS 13A.220(4)(e) requires the RELATES TO paragraph to include citations to all statutes and other enactments, including branch budget bills or executive orders, to which the administrative regulation relates or which are affected by the administrative regulation.

Only the sections of a KRS chapter that relate to the specific subject matter of the administrative regulation shall be cited in the RELATES TO paragraph. Citations should be as specific as possible in accordance with KRS 13A.222(4)(l) through (p).

A KRS chapter is cited only if every section of the KRS chapter relates to the subject matter of the administrative regulation.

The RELATES TO paragraph should not include citations to KRS Chapter 13A or to other administrative regulations.

(b) STATUTORY AUTHORITY Paragraph

KRS 13A.220(4)(e) requires the STATUTORY AUTHORITY paragraph to include a list of the specific statutes and other enactments that authorize or require promulgation of the administrative regulation.

The statutory authority that an administrative body should cite in the STATUTORY AUTHORITY paragraph is the statute that:

- (1) Grants an administrative body the authority to promulgate administrative regulations;
- (2) Grants an administrative body the authority to promulgate administrative regulations governing a specific subject matter; or
- (3) Grants authority to or requires an administrative body to implement a program or statute or to perform a duty.

Statutory authority includes:

- (1) A federal or state statute;
- (2) A federal regulation or other federal directive;
- (3) A federal or state court decision;
- (4) An executive order; and
- (5) The biennial budget, the final budget memorandum, or another appropriation act.

Only the specific sections of a KRS Chapter that grant statutory authority to regulate the subject matter of an administrative regulation are cited in the STATUTORY AUTHORITY paragraph.

The specific section, subsection, and paragraph granting regulatory authority over the specific subject matter of the administrative regulation shall be cited in accordance with KRS 13A.220(4)(l) through (p).

(c) NECESSITY, FUNCTION, AND CONFORMITY Paragraph

KRS 13A.220(4)(f) provides that the NECESSITY, FUNCTION, AND CONFORMITY paragraph shall:

- (1) State the necessity for promulgation of the administrative regulation;
- (2) Summarize the functions the administrative body intends to implement; and
- (3) If applicable, include the statement required by KRS 13A.245(2)(b).

The statute that an administrative body shall include in the NECESSITY, FUNCTION, AND CONFORMITY paragraph is the statute that relates to the specific subject matter of the administrative regulation.

Specific reference should be made to the:

- (1) Statute that requires the promulgation of administrative regulations governing the subject matter of this administrative regulation; and
- (2) Specific subject matter governed or function implemented by this administrative regulation.

KRS 13A.245(2)(a) provides that an administrative regulation shall conform to a federal law or regulation governing a subject matter if the administrative body is:

- (1) Not required by federal law or regulation to promulgate an administrative regulation to comply with a federal law or regulation; and
- (2) Required or authorized by state law to promulgate an administrative regulation governing the subject matter.

KRS 13A.245(2)(b) provides that if the administrative regulation is different from or more stringent than the federal law or regulation governing the subject matter, the NECESSITY, FUNCTION, AND

CONFORMITY paragraph of the administrative regulation shall contain a statement explaining how and why the administrative regulation is more stringent than or differs from the federal law or regulation.

The format for the NECESSITY, FUNCTION, AND CONFORMITY paragraph is as follows:

NECESSITY, FUNCTION, AND CONFORMITY: KRS [section, subsection, etc., as applicable] [requires or authorizes] [name of administrative body] to [state what is required or authorized]. [Citation of applicable federal law or regulation] does not require Kentucky to comply with its provisions. This administrative regulation establishes [briefly describe what the administrative regulation as a whole does]. [If KRS 13A.245(2)(b) applies, add the following sentence, otherwise stop here.] This administrative regulation establishes requirements that [state: (1) the manner in which the administrative regulation differs from, or is more stringent than, the federal law or regulation; and (2) the reasons for the different or more stringent requirements].

Example:

A statute grants an administrative body the authority to promulgate administrative regulations governing the licensure of a profession.

Another statute in the KRS Chapter governing the administrative body grants the administrative body the authority to establish continuing education requirements of licensees under its jurisdiction.

In the NECESSITY, FUNCTION, AND CONFORMITY paragraph, the administrative body shall state:

KRS XXX.XXX authorizes the Board to establish continuing education requirements. This administrative regulation establishes continuing education requirements for Board licensees.

(d) Definitions

KRS 13A.222(4)(d) and (e) establish the requirements governing definitions in an administrative regulation.

KRS 13A.222(4)(e) provides that if a word is used in its ordinary sense, it shall not be defined in an administrative regulation. A word shall be defined only:

- (1) If it is used in a sense other than its dictionary meaning;
- (2) If one of several dictionary meanings is used;
- (3) To avoid repetition of a phrase (e.g., an acronym); or
- (4) To limit or extend the provisions of an administrative regulation (e.g., to limit “nurse” to “licensed practical nurse”).

KRS 13A.222(4)(f) requires that a word shall be used instead of a phrase that has the same meaning as the word.

KRS 13A.222(4)(d) provides that if a word is defined in the Kentucky Revised Statutes, it shall not be duplicated in an administrative regulation. The administrative regulation shall contain a reference to the chapter and section of the KRS in which the definition appears.

KRS 13A.222(4)(e) provides that if a definition is used in an administrative regulation, it shall be placed in:

- (1) The first section of an administrative regulation; or
- (2) A separate administrative regulation.

If an administrative body places definitions in a separate administrative regulation, that administrative regulation shall be the first administrative regulation of a specific chapter of the KARs. The “Definitions” administrative regulation shall only apply to the administrative regulations in that chapter. It shall be titled “Definitions for ### KAR Chapter ##” and shall contain the number of the title and chapter of the KARs to which the definitions apply.

A definition section shall contain only definitions and shall be titled “Definitions.” It shall not contain any other material. The definitions contained in the “Definitions” section shall govern only the terms in that administrative regulation.

Definitions shall be placed in alphabetical order. If amending an existing administrative regulation that includes definitions, and the definitions are not in alphabetical order, the amendment should include placing the definitions in alphabetical order.

If a word is defined, place the word in quotations, followed by the word “means.” After the word “means,” state the definition. The definition section shall contain only definitions. Other items, information, requirements, standards, and conditions shall be contained in:

- (1) Other sections of the administrative regulation; or
- (2) Another administrative regulation, if there is a separate definitions administrative regulation.

Each subsection of a definitions section shall contain one definition. Do not include other subject matter in a definitions section.

If a federal statute or regulation requires a particular definition, the definition shall be worded as required by KRS 13A.222(4)(e).

(3) Material Incorporated by Reference

(a) Language in Administrative Regulation

The following information shall be contained in the last section of an administrative regulation that incorporates material by reference:

(1) Title and Edition. “Title” means the title of the material incorporated by reference. “Edition” means the version of the material being incorporated by reference at the time the administrative regulation is promulgated. The title and edition shall be placed in quotation marks [KRS 13A.2251(1)(a)].

The edition is the date:

- (a) On which the administrative body established the specific form and content of the material incorporated by reference in an administrative regulation; or
- (b) Of publication by the entity that published the material.

The edition is simply a notice to the public and regulated entities of the latest edition of material incorporated by reference. It is a notice that only the version of the material incorporated by reference that bears that date is intended.

(2) Public Notice. The administrative regulation shall state how the material incorporated by reference may be obtained. This information shall include a statement that the material can be inspected, copied, or obtained, subject to applicable copyright law, at the offices of the promulgating administrative body. Addresses and office hours of main and branch offices shall be included [KRS 13A.2251(1)(b), (c)].

KRS 13A.2251(2) establishes the specific format for the incorporation by reference section.

KRS 13A.2251(2) requires that the section incorporating material by reference be titled “Incorporation by Reference” and that:

(1) If only one item is incorporated by reference, the first subsection shall state: “(“Name and edition date of material incorporated”) is incorporated by reference.”

(2) If more than one item is incorporated by reference, the first subsection shall state: “The following material is incorporated by reference:

- (a) (“Name and edition date of first item incorporated”); and
- (b) (“Name and edition date of second item incorporated”).”

(3) The second subsection shall state: “This material may be inspected, copied, or obtained, subject to applicable copyright law, at (name of agency, full address), Monday through Friday, 8:00 a.m. to 4:30 p.m.”

(b) Summary of Material Incorporated by Reference

A detailed summary of the material incorporated by reference shall be attached to the back of an administrative regulation. The summary is not incorporated into the administrative regulation. It is a separate document attached to the back of the administrative regulation. The summary shall provide detail sufficient to identify the subject matter to which it pertains and shall include:

(1) Relevant programs, statutes, funds, rights, duties, and procedures affected by the material and the manner in which they are affected;

(2) Citation of applicable state or federal statutes or regulations authorizing or requiring the policy or procedure in the material; and

(3) The total number of pages that the promulgating administrative body has incorporated by reference [KRS 13A.2251(3)].

(c) Summary of Amended Material

If previously incorporated material is being amended, a detailed summary of the changes and their effect shall be attached to the back of the administrative regulation. The summary is not incorporated into the administrative regulation. It is a separate document attached to the back of the administrative regulation. The summary shall include:

(1) A list of the pages on which changes have been made; and

(2) A detailed summary of the changes and their effect [KRS 13A.2255].

SECTION 17. FORMAT CHECKLIST FOR FILING
